(3) The Third Schedule shall apply with respect to the conduct of the business and affairs of the Board.

### PART III – ADMINISTRATION

#### 12. Tenure of office

(1) The Chairman and members of each Board, other than the *ex officio* members and public officers, shall hold office for a period of three years from the date of appointment but shall be eligible for re-appointment for one further term.

(2) The appointment of all members of each Board as first constituted and at every change in membership thereafter shall be by notice published in the *Gazette*.

(3) No person shall qualify for appointment as a member of the Board of an Authority under section 5 (1)(f), 8 (1)(g) or 11 (1)(g) unless such person is the holder of the Kenya Certificate of Secondary Education or an equivalent qualification and has at least ten years' practical experience.

#### 13. Director-General

(1) Each Authority shall have a Director-General, who shall be appointed by the concerned Board in consultation with the Minister from among three candidates competitively selected by the Board.

(2) The Director-General shall be responsible for the day to day operations and administration of the Authority in respect of which he is appointed.

(3) Subject to this Act, the Director-General shall hold office for a term of three years and shall be eligible for appointment for one more term.

(4) Subject to this Act and to the general direction and control of the concerned Board, the Director-General shall be responsible for the following matters with respect to the Authority for which he is responsible—

- (a) the implementation of the policies and programmes of the Authority and reporting thereon to the Board;

- (b) the proper management of the funds and property of the Authority;
- (c) the organisation and control of the staff of the Authority;
- (d) the development of an operations plan for achieving the Authority's objectives;
- (e) co-operation with other lead agencies and organisations in the roads sector;
- (f) the development of an economic, efficient and cost-effective internal management structure;
- (g) the formulation and implementation of the strategic plan, business plan and annual plan of the Authority;
- (h) the implementation and fulfilment of the policies and agreed objectives, performance targets and service standards of the Authority;
- (i) the provision of advice as required on all matters within the Authority's responsibility; and
- (j) the performance of any other duty necessary for the implementation of this Act as may be assigned to him by the concerned Board.

#### **14. Qualifications of Director-General**

A person shall be qualified for appointment as Director-General if such person—

- (a) is registered with the Engineers Registration Board of Kenya in the category of registered engineer in the field of highway engineering and is a member of the Institution of Engineers of Kenya; and
- (b) has at least fifteen years' post-registration experience in the field of road and highway engineering.

#### **15. Other staff of the Authority**

(1) Each Authority may appoint such other officers and staff as may be necessary for the proper and efficient performance of its functions.

(2) The officers and staff appointed under this section shall hold office on such terms and conditions as may be determined by the concerned Board and specified in their instruments of appointment.

#### **16. Delegation by Board**

(1) A Board may, by instrument of delegation, delegate to the Chairman, a member of the Board, an officer of the Authority or to a Committee of the Board established under the Third Schedule, any of the powers, duties or functions of the Authority under this Act.

(2) The terms and conditions regulating the exercise of the powers delegated under this section shall be contained in the instrument of delegation.

(3) A person shall in the exercise of a delegated power under this section, comply with the directions or guidelines as the concerned Board may, from time to time issue in writing.

(4) A person aggrieved by the decision of a delegate in the exercise of powers under this section may appeal to the Board.

#### **17. Remuneration of Board members**

Each Board shall pay its members such remuneration, fees or allowances for expenses as it may determine after consultation with the Minister and the Minister responsible for finance.

#### **18. Authority to make regulations relating to staff**

An Authority may make regulations generally relating to the conditions of service of its officers and servants, and in particular, but without prejudice to the generality of the foregoing, may make regulations relating to—

- (a) the appointment, dismissal, discipline, pay and leave of, and the security to be given to, staff;
- (b) appeals by officers and servants against dismissal or other disciplinary measures;
- (c) the establishment and maintenance of medical benefits and loan funds, and the contributions payable thereto and the benefits recoverable therefrom.

#### **19. Regulations on staff by Minister**

Subject to this Act, the Minister may make regulations generally relating to the conditions of service of employees of Authorities and, without prejudice to the generality of the foregoing, may make regulations relating to—

- (a) the grant of pensions, gratuities and other retiring allowances to employees and their dependants and the grant of gratuities to the estate or dependants of deceased employees;
- (b) the establishment and maintenance of medical funds, superannuation and provident funds and the contributions payable thereto and the benefits receivable therefrom;
- (c) the liability or otherwise to assignment, attachment, sequestration or other levy of sums payable to an employee or other persons under regulations made under this section.

#### **20. Regional offices**

(1) Each Authority may establish such administrative regions and regional officers, as may be necessary for the furtherance of its functions.

(2) Where an Authority establishes administrative regions and regional offices under subsection (1), it may delegate to such offices such procurement functions, activities and authority as may be determined by the concerned Board, which delegation shall be in compliance with the Public Procurement and Disposal Act (No. 3 of 2005).

#### **21. Delegation of functions by Authority**

Notwithstanding any other provision of this Act an Authority may, in consultation with the Minister, delegate its functions in relation to roads under its jurisdiction to a suitable corporate body.

## PART IV – POWERS OF AUTHORITIES GENERALLY

**22. Powers of the Authority as a statutory body**

(1) An Authority shall have power—

- (a) to maintain, operate, improve and manage the roads under its jurisdiction;
- (b) to construct new roads;
- (c) to measure and assess the weights, dimensions and capacities of vehicles using any road and provide measures to ensure compliance with rules relating to axle load control, other provisions of the Traffic Act (Cap. 403) and any regulations under this Act; and
- (d) to provide such amenities or facilities for persons making use of the services or facilities provided by the Authority as may appear to the Authority necessary or desirable.

(2) Subject to this Act, the powers conferred by, subsection (1) shall include all such powers as are necessary or appropriate and proper for the purposes of the Authority and in particular, but without prejudice to the generality of the foregoing, shall include powers—

- (a) to construct any road, bridge, building, drainage structure, drain, river channelling or any other necessary or desirable works required for the purposes of the Authority;
- (b) to operate machinery and equipment on public roads in such manner as it deems necessary;
- (c) to carry on any business necessary or desirable to be carried on for the purposes of the Authority and to act as an agent for the Government in the provision of any agreed services;
- (d) with the approval of the Minister, to determine, impose and levy rates, tolls, charges, dues or fees for any of its services or for the use by any person of its facilities;
- (e) to prohibit, control or regulate—
  - (i) the use by any person of the services performed, or the facilities provided, by the Authority; or
  - (ii) the usage of any vehicle on any road or on any premises occupied by the Authority;
- (f) to sell, let or otherwise dispose of any property, movable or immovable, which in the opinion of the Board, is not necessary for the purposes of the Authority:  
Provided that an Authority shall not so sell, let or otherwise dispose of any building or land placed at its disposal by the Government otherwise than with the consent of, and under conditions agreed by, the Minister;
- (g) to act as an agent for any person engaged, whether within Kenya or elsewhere, in the performance of services, or the provision of facilities, of a kind similar or complementary to those performed or provided by the Authority;

- (h) to enter into agreements with any person—
  - (i) for the supply, construction, manufacture, maintenance or repair by that person of any property, movable or immovable, necessary or desirable for the purposes of the Authority;
  - (ii) for the performance or provision by that person of any of the services or the facilities which may be performed or provided by the Authority;
  - (iii) for the payment, collection or apportionment of any tolls, rates, charges or other receipts arising out of the performance or the provision by that person of any such services or facilities;
- (i) to establish or acquire any subsidiary corporation with the written approval of the Minister and the Minister responsible for Finance; or
- (j) to enter into any arrangement with any state corporation or other entity which, in the opinion of the Board, is likely to promote or secure the provision, or improved provision, of any service or facilities which they may separately provide.

(3) For the avoidance of doubt, it is hereby declared that subsections (1) and (2) relate only to the capacity of the Authority as a statutory body and nothing in those provisions shall be construed as authorising the disregard by the Authority of any law.

(4) The powers conferred on an Authority under this section to construct or improve any road shall empower the Authority to undertake the construction or execution of any works necessary thereto on land vested in the Authority or on land placed at its disposal by the Government, or, in the case of land not so vested in, or placed at the disposal of, the Authority, only with the agreement of the owner of the land on which such works are to be constructed or executed.

(5) Where any land is required by an Authority for the purposes of its functions under this Act the Authority shall proceed in accordance with section 22.

### **23. Acquisition of land for the purposes of the Authority**

(1) Where an Authority requires any land for its purposes under this Act, such Authority may either—

- (a) if such land is not public land, acquire such land through negotiation and agreement with the registered owner thereof:  
 Provided that, notwithstanding the provisions of section 6 of the Land Control Act (Cap. 302), the ensuing transaction shall not require the consent of a land control board if the land to be acquired is agricultural land; or
- (b) if such land is public land, or if the Authority is unable to acquire it by agreement in accordance with paragraph (a) of this subsection, notify the Minister responsible for Public Lands that the land specified in the notice is required for the purposes of the Authority.

(2) When notice has been given under subsection (1)(b), then—

- (a) if the land is public land, the Minister responsible for Lands may, in his discretion and upon such terms and conditions as he may think fit, place such land at the disposal of the concerned Authority for its purposes; or

(b) if the land is not public land, the Commissioner of Lands may, if satisfied that it is in the public interest to do so, acquire the land in accordance with the provisions of the Land Acquisition Act (Cap. 295).

(3) Where land is acquired on behalf of an Authority under subsection (2), such Authority shall bear all costs in relation thereto.

(4) An Authority may at any time surrender any land surplus to both its existing and future requirements to the Minister responsible for Lands.

(5) The provisions of subsection (4) shall apply to land vested in the Authority by any written law, including this Act, as well as land conveyed to it or otherwise placed at its disposal.

(6) In this section—

“**public land**” means all public land in Kenya, excluding trust land, which is vested in the Government for the benefit of the public;

“**trust land**” means land which is or which was previously vested in a County Council by virtue of section 115 of the Constitution.

#### **24. Power to enter and survey land**

(1) Any authorized employee of an Authority may, for the purposes of the Authority, enter upon any land and survey such land or any portion thereof.

(2) Where any damage to land is caused by reason of the exercise of the powers conferred by this section, the owner or occupier of the land shall be entitled to compensation therefor in accordance with this Act.

#### **25. Power to enter land to prevent accidents, etc.**

(1) Any authorized employee of an Authority may for the purposes of preventing the occurrence of any accident, preserving the safety of traffic or the safe operation of any service provided by such Authority, or repairing any damage caused by an accident, enter upon any land and—

- (a) cut down or remove any tree or other obstruction, not being a building which obscures the view of any traffic sign which is likely to cause any obstruction or any danger to the safety of traffic or of any such service; or
- (b) execute such other works as may be necessary to prevent the occurrence of any accident or to repair any damage caused as a result of any accident.

(2) If any tree or other obstruction cut down or removed under subsection (1) (a) came into existence subsequent to the erection of any traffic sign or to the service being provided at that place, no compensation shall be payable in respect of such entry, or the cutting down or removal of such tree or other obstruction.

#### **26. Power to enter and to alter position of pipes, etc.**

(1) Subject to the provisions of this section, an Authority, or any of its employees authorised in that behalf, may, for the purposes of such Authority,

enter upon any land and alter the position of any electric, telephone, telegraphic, fibre optic or other wire of whatsoever nature, or the position of any drain or sewer.

(2) Where an Authority intends to exercise any power under subsection (1), it shall give reasonable notice of its intention to do so to the person having control of the pipe, wire, sewer or drain and—

- (a) such person may authorize a representative to superintend such work and may require the Authority to execute such work to the satisfaction of such representative; and
- (b) the Authority shall make arrangements for the maintenance of the supply of gas, oil, compressed air or electricity, for the continuance of the telephone, telegraph or other wire-borne communications or for the maintenance of the sewer or drainage, as the case may be, during the execution of such work.

(3) Where any damage is caused by reason of the exercise of the powers conferred by this section, the person suffering such damage shall be entitled to compensation therefor in accordance with this Act.

#### **27. Power to remove pipes etc. from within the road reserve**

(1) For purposes of this section—

- (a) **“pipe-borne utilities”** refers to any pipes, devices and fittings for the supply or transmission of gas, oil products, water, wastewater, compressed air and any material conveyed by means of piping;
- (b) **“wire-borne utilities”** refers to wires, devices and fittings for the transmission of electricity, telephone services, telegraph services, data and any other service conveyed by means of conductive wire, fibre optic cable or other wire or cable of whatsoever nature;
- (c) **“infrastructure utilities”** refers to pipe borne utilities, wire-borne utilities, covered or open drains and any other physical device for the provision, conveying or supply of services.

(2) Where any infrastructure utility is located within a road reserve, the provider or operator of such infrastructure utility shall, upon written request by the responsible Authority, relocate such infrastructure utility to a location or alignment approved by the Authority at no cost to the Authority.

(3) Where an Authority intends to exercise any power under subsection (2) it shall give reasonable notice of its intention to do so to the person having control of such infrastructure utility, and such person shall cause to be removed such infrastructure utility within sixty days.

(4) Where, under subsection (2) or (3), any person having control of an infrastructure utility fails to remove such infrastructure utility within the time stated in the notice, the concerned Authority may remove such infrastructure utility at the cost of the person who was unable to comply with the notice under subsection (3).

#### **28. Power to take water**

An Authority may, for its purposes, take any water from any natural watercourse subject to the provisions of the Water Act (No. 8 of 2002).

**29. Compensation**

In exercising the powers conferred by sections 23, 24, 25, and 26, an Authority shall do as little damage as possible, and, where any person suffers damage, no action or suit shall lie against the Authority, but he shall be entitled to such compensation therefor as may be agreed between him and the concerned Authority, or, in default of agreement, as may be determined by an arbitrator appointed by the Chief Justice.

**PART V – FINANCIAL PROVISIONS****30. Financial year**

The financial year of each Authority shall be the period of twelve months commencing on the 1st of July and ending on the 30th of June in the next succeeding year:

Provided that the first financial year of the Authority shall be the period commencing on the date of commencement of this Act and ending on the 30th June subsequent to that date.

**31. Funds and resources of the Authority**

The funds and resources of each Authority shall consist of—

- (a) monies paid to it from the Road Fund;
- (b) any other money appropriated by Parliament for the purposes of the respective Authority;
- (c) in the case of the Rural Roads Authority and the Urban Roads Authority taken together, thirty per cent of the funds from the Local Authorities Transfer Fund or such higher portion of such funds as the Minister for Finance may direct;
- (d) funds accruing from investments made by the Authority;
- (e) grants, loans, gifts or donations from the Government or any other source, made with the approval of the Minister and the Minister responsible for Finance;
- (f) revenue earned from the activities of the Authority under this Act; and
- (g) any other funds received by the Authority in the performance of its functions under this Act.

**32. Borrowing power**

(1) Subject to subsection (2), an Authority may borrow money required by it for the exercise of its functions and for meeting its obligations after approval by the Minister and the Minister responsible for Finance.

(2) The approval under subsection (1) may be either general or limited to a particular transaction and may be either unconditional or subject to conditions.

**33. Power to invest funds**

Any funds of an Authority not immediately required for any purpose under this Act may be invested in a manner which the respective Board may, with the approval of the Minister and the Minister responsible for Finance, determine.

**34. Authority to prepare a roads investment programme**

(1) The Minister shall, once in every five years, in consultation with the authorities and the Kenya Roads Board, cause to be prepared a road investment program for approval by the Minister responsible for Finance.

(2) The road investment programme prepared under subsection (1) shall outline development and maintenance priorities costed with respect to stated sections of road, and also aggregated by class, traffic loading or such other detail as may be specified.

(3) All annual work programmes prepared or implemented by an Authority shall be based on the approved five-year road investment programme.

**35. Authority to prepare annual budget**

Each Authority shall, not later than three months before the end of each financial year, cause to be prepared and submitted to the Minister an annual budget based on the five-year road investment program in respect of the ensuing financial year comprising estimates of expected recurrent, maintenance, development and capital expenditure of the Authority in the said financial year.

**36. Authority to prepare annual works program**

An Authority shall, not later than six months before the end of each financial year, cause to be prepared and submitted to the Kenya Roads Board for approval an annual works program based on the five-year road investment program in respect of the ensuing financial year, comprising estimates of expected maintenance, development and capital expenditure of the Authority in the said financial year to be financed by the Road Fund.

**37. Expenditure outside budget**

Any activity outside the budget approved under section 35 shall only be undertaken with the approval of the Minister, and shall be funded by the person, body or agency recommending it.

**38. Accounts and audit**

(1) Each Authority shall keep proper books of accounts and shall prepare an annual statement of accounts in conformity with international accounting standards.

(2) For each financial year, the Authority shall prepare and submit for audit accounts to the Controller and Auditor-General in accordance with the Public Audit Act, 2003 (No. 12 of 2003), and comply with all applicable requirements of that Act.

(3) The costs of the audit shall be as specified in the Public Audit Act, 2003 (No. 12 of 2003).

(4) In addition to the annual audit, the Controller and Auditor-General may at any time audit the accounts and examine the records of financial transactions of the Authority, and shall forthwith draw the attention of the Minister to any irregularity disclosed by such audit and examination.

(5) The authorities shall provide the Controller and Auditor-General with all necessary and appropriate facilities for the examination of the accounts and records.

(6) The Controller and Auditor-General may make copies of or take extracts from account books or other financial records of the authorities.

### **39. Principles of operation**

Each Authority shall perform its functions in accordance with sound financial principles and shall ensure, as far as reasonably practicable, that its expenditure is properly chargeable to its revenue.

### **40. Charges and fees to be gazetted**

(1) Where an Authority, under section 21(2)(d) stipulates levies, charges or fees for any of its services or for use of its facilities, the schedule of charges shall be published in the *Gazette*.

(2) The schedule of charges shall come into force on a date specified therein, which shall be at least thirty days following gazettelement.

(3) If any amount due and payable under this section is not paid by any party after demand by an Authority, and remains unpaid beyond the time specified for payment thereof, such Authority may seize the vehicle or other property of the debtor after giving reasonable notice of such seizure, and may detain such vehicle or property until payment is made.

### **41. Recovery of debts**

All debts owed to an Authority under this Act shall be recoverable summarily.

## **PART VI – MISCELLANEOUS**

### **42. Protection from liability**

No matter or thing done by an officer or employee of an Authority shall, if the thing is done *bona fide* for executing the functions, powers or duties of the Authority, render such officer or employee personally liable to any action, claim or demand whatsoever.

### **43. Performance agreement**

(1) A performance agreement shall be made between the Minister and each Authority concerning the management by the Authority of the part of the roads network for which the Authority is responsible, and shall include all the activities that are necessary to develop and maintain such roads in a satisfactory state.

(2) The performance agreement shall describe the key outputs that the Authority shall achieve in any financial year, and such outputs shall be defined in terms of performance indicators and targets.

(3) The Minister may request for an independent report on the implementation of the performance agreement.

(4) Failure to meet the targets as agreed upon under this section shall be a ground for the dismissal or discipline of the Director-General of the respective Authority.

**44. Annual report**

(1) Each Authority shall, within a period of four months after the end of each financial year, submit to the Minister an annual report dealing generally with the activities and operations of the Authority.

(2) An annual report submitted under subsection (1) shall include—

- (a) information with regard to the progress and policies of the Authority;
- (b) a copy of the audited accounts of the Authority in respect of that year together with the report of the Controller and Auditor-General;
- (c) each report submitted in relation to that financial year by the Controller and Auditor-General;
- (d) an overview of the operations of the Authority;
- (e) an assessment of the degree to which performance targets have been achieved;
- (f) an assessment of the adequacy of road funding;
- (g) a report on the condition of the road network and the degree of change in such condition since the last report, the projected optimal level of the network and the extent of financing required to meet that level;
- (h) a review of the technical adequacy and proven cost efficiency of road management operations;
- (i) a report on progress achieved concerning coordination between the authorities and regional entities, including any challenges encountered and proposals for the future;
- (j) generally a report on the degree to which the objectives of this Act have been realized and the levels of compliance with the provisions of this Act; and
- (k) such other information as the Minister may request in writing.

**45. Minister's power of direction**

(1) The Minister shall oversee the performance of the activities of an Authority under this Act and may, in writing, give the Authority directions on matters of policy not inconsistent with the provisions of this Act.

(2) The Minister may appoint an oversight committee for purposes of subsection (1).

**46. Making of regulations by Authorities**

(1) An Authority may with the approval of the Minister make regulations for the better performance of its functions under this Act.

(2) Without prejudice to the generality of subsection (1), an Authority may make regulations—

- (a) relating to the use, safety or maintenance of the roads falling within its responsibility;

- (b) relating to the erection of structures on, near, over or under the roads falling within its responsibility;
- (c) for the drainage of streets, lands, compounds and buildings adjacent to the road;
- (d) respecting the level, width and construction of roads and streets;
- (e) for the removal, demolition or alteration of any projection, structure or thing obstructing a road or likely to cause damage or inconvenience to road users; and
- (f) prescribing the fees payable for services provided by the Authority.

(3) Rules or regulations made under subsection (1) may prescribe, in respect of any contravention of any provision thereof, a fine not exceeding one hundred thousand shillings or imprisonment for a term not exceeding one year or both, and may also prescribe, in the case of continuing offences, an additional penalty in respect of each day in which the offence continues.

(4) The provisions of section 34 of the Interpretation and General Provisions Act (Cap. 2) shall not apply to regulations made under this Act.

#### **47. Roads to be classified**

(1) All public roads under the management of an Authority shall be classified in the manner set out in the First Schedule.

(2) In addition to the classification under subsection (1), each public road shall have such number, name or description as to uniquely identify it among all other roads of its class within the country.

(3) All existing road categorisations and classifications and associated identity numbers defined by the Roads Department of the Ministry responsible for Roads prior to the commencement of this Act shall, for the time being, be maintained after the commencement of this Act.

(4) All existing road categorisations and classifications and associated identity numbers defined by the roads section of the Urban Development Department of the Ministry responsible for Local Government or a local Authority prior to the commencement of this Act shall be maintained for the time being after the date of commencement of this Act, save for such amendments as may be necessary to ensure consistency and compliance with the need for unique identity numbers.

(5) An Authority may with the authority of the Minister published in the *Gazette*, add, modify or remove the category of a road.

#### **48. Inventory of roads**

(1) Each Authority shall cause to be maintained and kept current an inventory of the roads under its management, in such format and with such detail, including categorisation and identity details, as may be approved by the Minister.

(2) Such inventory as described in subsection (1) shall, with the authority of the Minister be published in the *Gazette*.

**49. Structures and other works on, over, and below roads or certain other land**

(1) Except as provided in subsection (2), no person or body may do any of the following things without the responsible Authority's written permission or contrary to such permission—

- (a) erect, construct or lay, or establish any structure or other thing, on or over or below the surface of a road reserve or land in a building restricted area;
- (b) make any structural alteration or addition to a structure or that other thing situated on or over, or below the surface of a road or road reserve or land in a building restriction area; or
- (c) give permission for erecting, constructing, laying or establishing, any structure or that other thing on or over, or below the surface of, a road or road reserve or land in a building restriction area, or for any structural alteration or addition to any structure or other thing so situated.

(2) An Authority may, in its discretion, give or refuse to give permission under this section.

(3) When giving permission the Authority may prescribe—

- (a) the specifications with which the structure, other thing, alteration or addition for which permission is requested must comply;
- (b) the manner and circumstances in which, the place where, the conditions on which the structure, other thing, alteration or addition may be erected, constructed, laid, established or made; and
- (c) the obligations to be fulfilled by the owner in respect of the land on which the structure, other thing, alteration or addition is to be erected, constructed, laid, established or made.

(4) Where a person, without the permission required by subsection (1) or contrary to any permission given thereunder, erects, constructs, lays or establishes a structure or other thing, or makes a structural alteration or addition to a structure or other thing, an Authority may by notice in writing direct that person to remove the unauthorised structure, other thing, alteration or addition within a reasonable period which shall be stated in the notice but which may not be shorter than thirty days calculated from the date of the notice.

(5) If the person to whom a notice has been issued in terms of subsection (4) fails to remove the structure, other thing, alteration or addition mentioned in the notice, within the period stated therein, such item may be removed by the Authority itself which may recover the cost of the removal from that person.

(6) A person who contravenes any of the provisions of subsection (1) commits an offence and is liable on conviction to a term of imprisonment not exceeding one year or to a fine not exceeding one hundred thousand shillings, or to both.

**50. Liability of owner and driver for damage**

(1) Where any road is damaged—

- (a) by reason of any vehicle passing over it in contravention of the provisions of any rules made by an Authority under this Act; or
- (b) by reason of any vehicle passing over a bridge on the road or coming into contact with any portion thereof other than the surface of the road,

the owner of the vehicle and the person driving or propelling it shall jointly and severally be liable to the respective Authority for the damage.

(2) A certificate under the hand of any person authorized in that behalf by the concerned Authority stating the amount of the cost of making good such damage shall be *prima facie* evidence of such cost.

**51. Exemption from taxes and duties etc.**

An Authority may, upon application, be exempted from such taxes and duties as the Minister responsible for Finance may, with the approval of Parliament, prescribe.

**52. Proceedings on failure of Authority to comply with the Act**

If at any time it appears to the Minister that any Authority has failed to comply with any of the provisions of this Act, he may, by notice in writing, require the Board of the Authority to make good the default within such time as may be specified in such notice.

**53. Exercise of certain powers of delegation under the Act**

(1) Notwithstanding anything in any law to the contrary, no local authority, or other person shall exercise any power relating to the control, maintenance, development or protection of any road except where such power has been delegated by an Authority established under this Act or by the Minister.

(2) Notwithstanding subsection (1), each Authority shall encourage community and private sector participation in road construction, maintenance and management under its supervision and guidance.

**54. Confidentiality of information**

(1) No member, officer or servant of an Authority shall disclose any information which he has acquired in the performance of his functions as such member, officer or servant to any person except so far as may be necessary for the performance of such functions or for due compliance with an order of any Court.

(2) Any person who contravenes the provisions of subsection (1) commits an offence and shall on conviction be liable to imprisonment for a term not exceeding three months or to a fine not exceeding ten thousand shillings, or to both.

**55. Authorisation of employees etc.**

(1) The Director-General may, by notice in writing, authorize any employee appointed under this section to maintain order upon any premises occupied by the Authority for which he is responsible or on a road or vehicle of the Authority.

**56. Accommodation works**

(1) Where, in the exercise of powers under this Act, an Authority constructs a new road, it shall construct and maintain the following accommodation works for the benefit of the owners and occupiers of lands adjoining those on which the road is constructed—

- (a) such access facilities or other works as, in the opinion of such Authority, are necessary for the purpose of making good any interruption caused by the construction of the road to the use of the lands through which the road is constructed;
- (b) such culverts, drains or other works as, in the opinion of the Authority, are necessary to convey water as freely as is practicable from or to such adjoining lands as was the case before the construction of the road:

Provided that—

- (i) nothing in this section shall require the construction or the maintenance of any accommodation works—
  - (A) in such a manner as to prevent or obstruct the proper operation of the road; or
  - (B) where the owners or occupiers, of the lands or their predecessors in title, have received an agreed amount of compensation in consideration of such works not being constructed or maintained;
- (ii) where suitable accommodation works for the crossing of roads or watercourses have been constructed under this section and such road or watercourse is afterwards diverted by some person other than the Authority, the Authority shall not be required to construct other accommodation works for the crossing of such road or watercourse.

**57. Additional accommodation works**

If at any time—

- (a) the owner or occupier of any lands adjacent to which a road is constructed desires any accommodation works in addition to those, if any, constructed by the Authority under section 56; or
- (b) a person proposes to construct a public road or any other works across a road,

the owner, occupier or person, as the case may be, may require the concerned Authority to construct such accommodation works—

- (i) as may be agreed between him and that Authority; or
- (ii) if no such agreement is reached, as may be determined by the Minister,

and the cost of constructing such accommodation works shall be borne by the owner, occupier or person requiring them.

**58. Major offences**

Any person who unlawfully—

- (a) does any act which obstructs or is likely to obstruct the working of any equipment or vehicle belonging to an Authority used in its operations and which act endangers or is likely to endanger the life of any person therein; or
- (b) damages or in any way interferes with any road or other property of an Authority in such a manner as to endanger the life of any person; or
- (c) does any act which obstructs or is likely to obstruct the operation of vehicles on any road or the use of any weighbridge,

commits an offence and is liable on conviction to imprisonment for a term not exceeding two years, or to a fine not exceeding one hundred thousand shillings, or to both.

**59. Other offences**

(1) Any person who—

- (a) not being specifically authorized in that behalf, or an employee or agent of any Authority or occupant of a vehicle with justifiable cause to be present, is found during the hours of darkness on any premises occupied by the Authority; or
- (b) being on any premises occupied by the Authority or in a vehicle of the Authority—
  - (i) refuses when called upon by an employee of the Authority or a police officer to give his name and address, or gives a false name or address with intent to avoid prosecution;
  - (ii) is in a state of intoxication or behaves in a violent or offensive manner to the annoyance of any other person;
  - (iii) commits any act or otherwise does anything which may cause injury to any person on such premises or upon such vehicle;
  - (iv) commits any nuisance or act of indecency or uses profane, obscene, indecent or abusive language;
  - (v) without lawful excuse contravenes any lawful direction given by any employees; or
  - (vi) except with the express permission of the Director-General of the concerned Authority, hawks, sells or exposes for sale any article or goods or service or applies for or carries on any other trade or business;
- (c) writes, draws or affixes any profane, obscene, indecent, or abusive words, matter, or representative character upon any premises occupied by the Authority or upon any vehicle of the Authority;
- (d) defaces the writing on any board or any notice authorized to be maintained upon any premises occupied by the Authority or upon any equipment or vehicle of the Authority;
- (e) damages, or without lawful excuse interferes with any property of the Authority; or

- (f) without lawful excuse, does any act which obstructs or is likely to obstruct the free movement of vehicles on any road or the use of any road, parking area or related facility; or
- (g) being a driver or conductor of any vehicle, disobeys lawful instructions while upon premises occupied by the Authority,

commits an offence and is liable, on conviction, to imprisonment for a term not exceeding six months, or a fine not exceeding fifty thousand shillings, or to both.

#### **60. False returns**

Any person who makes, either knowingly or recklessly, any statement which is false in any material particular in any return, claim or other document which is required or authorized to be made for the purpose of any Authority under this Act, commits an offence and is liable on conviction to imprisonment for a term not exceeding three months, or a fine not exceeding ten thousand shillings, or to both.

#### **61. Application of regulations to State vehicles**

The Minister may, by order published in the *Gazette*, exempt State vehicles or any category of State vehicles from the provisions of this Act or regulations made thereunder.

#### **62. Detention of vehicles**

Regulations made under this Act may provide for the detention of vehicles to secure compliance with this Act or any regulations made thereunder, and may make such further provisions as appear to the Minister to be necessary or expedient for securing such detention.

#### **63. Nuisance caused by vehicles on roads**

No action shall lie in respect of nuisance by reason only of the noise and vibration caused by vehicles on a public road.

#### **64. Exemptions**

Notwithstanding the provisions of this Act, the Minister may, upon the recommendation of an Authority, by notice in the *Gazette* and on such terms and conditions as may be appropriate, exempt any vehicle, person, road, service or enterprise from the application of any regulations made under this Act, if such exemption is in the public interest.

#### **65. Service of notice etc. on the Director-General**

Any notice or other document required or authorised under this Act to be served on an Authority, or a Director-General, may be served—

- (a) by delivery of the notice or other document to the Director-General or to any authorized employee of the Authority;
- (b) by leaving it at the office of the Director-General; or
- (c) by sending it by registered post to the Director-General.

**66. Service of notice etc. by Authority**

Any notice or other document required or authorized under this Act to be served on any person by an Authority or a Director-General or any employee may be served—

- (a) by delivering it to that person; or
- (b) by leaving it at the usual or last known place of abode of that person; or
- (c) by sending it by registered post addressed to that person at his usual or last known address.

**67. Limitation of actions**

Where any action or other legal proceeding lies against an Authority for any act done in pursuance or execution, or intended execution of an order made pursuant to this Act or of any public duty, or in respect of any alleged neglect or default in the execution of this Act or of any such duty, the following provisions shall have effect—

- (a) the action or legal proceeding shall not be commenced against the Authority until at least one month after written notice containing the particulars of the claim and of intention to commence the action or legal proceedings, has been served upon the Director-General by the plaintiff or his agent; and
- (b) such action or legal proceedings shall be instituted within twelve months next after the act, neglect, default complained of or, in the case of a continuing injury or damage, within six months next after the cessation thereof.

**68. Restriction on execution against property of Authority**

Notwithstanding anything to the contrary in any law—

- (a) where any judgment or order has been obtained against an Authority, no execution or attachment, or process in the nature thereof, shall be issued against such Authority or against its property, but the Director-General shall, without delay, cause to be paid out of the revenue of the Authority such amounts as may, by the judgment or order, be awarded against the Authority;
- (b) no property of an Authority shall be seized or taken by any person having by law power to attach or distrain property without the previous written permission of the Director-General.

**69. Protection of name**

Any person who, without the written approval of an Authority, assumes for the purposes of business, or registers in terms of any written law relating to companies or business names under the names—

- (a) "Roads Authority", or "Road Authority"; or
- (b) "Highways Authority" or "Highway Authority",

commits an offence and shall be liable on conviction to imprisonment for a term not exceeding six months or a fine not exceeding one hundred thousand shillings, or to both.

**70. Consultation with users or departments**

(1) In the performance of its functions or exercise of its powers under this Act, each Authority shall, where appropriate, consult with the Minister, other authorities, bodies or persons and users of its facilities and services.

(2) An Authority may establish such consultative mechanism as it deems appropriate to obtain the views of the users of its facilities and services.

**71. Transitional provisions**

The transitional provisions set out in the Fourth Schedule shall apply upon the commencement of this Act.

**72. Consequential amendments**

The several written laws specified in the first column of the Fifth Schedule are amended in the provisions set out in the second column of that Schedule in the manner set out in the third column.

**73. Amendment of Schedule**

The Minister may, by Order published in the *Gazette*, amend the Second Schedule.

## THIRD SCHEDULE

[Sections 5(3), 8(3), 11(3).]

PROVISIONS AS TO THE CONDUCT OF THE BUSINESS AND AFFAIRS  
OF THE BOARD**1. Meetings of the Board**

(1) The first meeting of the Board shall be convened by the Chairman and, subsequently, the Board shall meet as often as necessary for the transaction of business at such places and at such times as may be decided upon by the Board, but it shall meet at least once every three months.

(2) The Chairman shall preside at every meeting of the Board and in his absence the members present may appoint a member from among themselves to preside at that meeting.

(3) The Chairman or in his absence a member appointed by the Board to act in his place, may at any time call a special meeting upon a written request by a majority of the members.

(4) Notice of every meeting of the Board shall be given in writing to each member at least five days before the day of the meeting.

**2. Quorum**

(1) Subject to subparagraph (2), five members, excluding the *ex-officio* members shall constitute a quorum for the conduct of business at any meeting of the Board.

(2) When there is no quorum at, or for the continuation of, a meeting of the Board only because of the exclusion of a member from the deliberations on a matter in which he has disclosed a personal interest, the other members present may if they deem it expedient so to do—

- (a) postpone the consideration of that matter until there is a quorum without that member; or
- (b) proceed to consider and decide the matter as if there was a quorum.

### **3. Decisions of the Board**

(1) All questions proposed at a meeting of the Board shall be decided by a majority of the votes of the members present and voting, and in the event of an equality of votes, the person presiding shall have a casting vote in addition to his deliberative vote.

(2) A decision may be made by the Board without a meeting by circulation of the relevant papers among the members of the Board and by the expression of the views of the majority of the members in writing but any member shall be entitled to require that the decision be deferred and the matter on which a decision is sought be considered at a meeting of the Board.

### **4. Minutes of proceedings**

(1) The Board shall cause the minutes of all proceedings of its meetings to be recorded and kept, and the minutes of each meeting shall be confirmed by the Board at the next meeting of the Board and signed by the Chairman or the person presiding at the meeting.

(2) The Chairman of the Board shall submit to the Minister a copy of the minutes of each meeting of the Board as soon as the minutes have been confirmed.

### **5. Board to regulate its own procedure**

Subject to the provisions of the State Corporations Act, the Board may regulate its own procedure.

### **6. Co-opting to the Board**

The Board may co-opt any person to participate in its deliberations, but a person so co-opted shall have no right to vote.

### **7. Committees of the Board**

(1) The Board may appoint committees of the Board—

- (a) to inquire into and advise the Board on any matter concerning the functions of the Authority as the Board may refer to the committee;
- (b) to exercise such powers or perform such functions of the Authority as the Board may delegate or refer to the committee.

(2) A committee appointed under subsection (1) shall consist of a Chairman and other persons, whether members of the Board or not, as the Board may determine.

(3) The Board may require a committee appointed under this section to act jointly or in co-operation with any other committee.

(4) Members of a committee appointed under this section may be paid such allowances as the Board may, with the approval of the Minister, determine.

(5) Subject to any direction given by the Board, a committee appointed under this section may regulate its own procedure.

## **8. Secretary to the Board**

The Director-General shall be secretary to the Board.

---

**[Subsidiary]**

specified in the Schedule and all on-going contracts and consultancies with respect to the urban roads, that were immediately before the transfer and vesting date vested in the Ministry of Roads under the Roads Department shall, with effect from that date be deemed to have transferred and vested in the Authority;

4. All the functions of the Ministry of Roads with respect to the management, development, rehabilitation and maintenance of all urban roads and all their related road reserves throughout the country that were immediately before the transfer and vesting date vested in Ministry of Roads under the Roads Department, shall with effect from that date be deemed to have transferred and vested in the Authority;

5. Subject to this Order, all rights and liabilities in respect of past and on-going contracts and consultancies as specified in the Schedule, in respect of urban roads and all their related road reserves, of the Ministry of Roads attributable to the Roads Department existing immediately before the transfer and vesting date, shall with effect, from that date, be deemed to have transferred to, vested in, or imposed on the Authority, and any reference to the Roads Department in any contract or document related thereto shall, for all purposes, be deemed to be reference to the Authority.

6. All rights and liabilities of the Ministry of Roads attributable to the Roads Department immediately before the transfer and vesting date with respect to properties, the past and on-going contracts and consultancies related to the urban roads and all their related road reserves, shall with effect, from that date be deemed to have vested in the Authority, and shall be enforced by or against the Authority;

7. (1) Any property or right vested in the Authority by virtue of this Order and which, immediately before the transfer and vesting date, vested in the Roads Department either alone or jointly with any other person—

- (a) as trustee or custodian trustee under any trust deed, settlement, covenant or under any other instrument; or
- (b) as executor or trustee of any person; or
- (c) as judicial trustee appointed by order of any court; or
- (d) in any other fiduciary capacity shall,

on with effect from the transfer and vesting date, vest in the Authority alone or jointly with such other person, upon the same trust and subject to the same powers, provisions, liability and obligations.

(2) Any existing instrument or order of any court of law under or by virtue of which any property or right vested in the Roads Department in any capacity specified in subparagraph (1), including in the case of a will, any grant of probate thereof, and any provision herein or any existing contract or arrangement for the payment or retention by the Roads Department or of remuneration of their services in any such capacity shall, with effect from the transfer and vesting date, be construed and have effect, so far-as the context permits, as if for any reference therein to the Roads Department there were substituted a reference to the Authority.

8. Any existing contracts, agreements, conveyances, deeds, leases, licenses, permits exemptions, powers or attorney, undertakings, securities and other instruments, arising from or related to past or existing projects and consultancies, entered into by, made with or granted or addressed to the Roads Department (under the Accounting Officer), whether alone or with any other person and whether as principal or agent, shall with effect from the transfer and vesting date, be binding and be of full force and effect in every respect against or in favour of the Authority as if, instead of the Roads Department, the Authority had been a party thereto, bound thereby or entitled to the benefit therefor and as if any

reference, express or implied to any member, officer or employee of the Roads Department as respects anything to be done on or after the transfer and vesting date, were substituted a reference to the member, officer or employee of the Authority who most nearly corresponds thereto.

9. Without prejudice to the provisions of any other paragraph herein, the following provisions shall have effect in relation to the functions and other matters of the Roads Department vested in the Authority by virtue of this Order—

- (a) any account between the Roads Department under the Accounting Officer and any other person shall, with effect from the transfer and vesting date, become an account between the Authority and that person, with the same rights and subject to the same obligations and incidents, including the rights of set-off as theretofore, and the account shall be deemed to be a single continuing account;
- (b) any existing instruction, direction, mandate, power of attorney, authority or consent given to or by the Roads Department under the Accounting Officer shall have effect, with effect from the transfer and vesting date, as if given to or by the Authority;
- (c) any security held by the Roads Department for the payment of debts or liabilities, whether present or future, actual or contingent, of any person, which is transferred to the Authority shall, with effect from the transfer and vesting date, be held by and be available to the Authority as security for the payment of such debts and liabilities to the Authority, and where the moneys secured by the security include future advances or liabilities of such person, the security shall with effect from that date, be held by and be available to the Authority as security for future advances to the person and be available to the Authority as security for future advances to the person and future liabilities of that person to the Authority to the same extent to which the same was held by or available to the Roads Department immediately before the commencement date as security for future advances or future liabilities;
- (d) the Authority shall, in relation to any security transferred or deemed to have been transferred to it and to the moneys thereby secured, be entitled to the same rights and priorities, and be subject to the same obligations and incidents, as the Roads Department would have been entitled and subject to as if the same had continued to be held by the Roads Department;
- (e) any negotiable instrument or order for payment of money, whether drawn, given, accepted or endorsed before, on or after the vesting date, which is expressed to be drawn by or on or given by or to, or accepted or endorsed by the Roads Department, shall with effect from the transfer and vesting date have effect as if it had been drawn by or on, or given by or to, or accepted or endorsed by the Authority;
- (f) where, by the operation of the provisions of this Order, any right, liability or obligations becomes a right, liability or obligations of the Authority, all other persons shall, with effect from the transfer and vesting date, have the same rights powers and remedies, and in particular, the same rights and powers as to taking or defending any legal proceedings or an application to any authority, for ascertaining, perfecting or enforcing that right, liability or obligation as if it had at all times been a right, liability or obligation of the Authority;
- (g) the custody of any documents, goods or other property held by the Roads Department as bailee for any other person shall be transferred to the Authority on the transfer and vesting date and the rights and obligations of

the Roads Department under any contract of bailment relating to such documents, goods or other property shall be transferred or deemed to be transferred to the Authority with effect from that day; and

- (h) all existing legal or arbitration proceedings or application to any authority by or against the Roads Department shall not abate, be discontinued or be in any way prejudiced by reason only of the provisions of this Order, but the same may be prosecuted and continued by or against the Authority and any judgment or award obtained by or against the Roads Department and not fully satisfied before the transfer and vesting date shall thereafter be enforceable by or against the Authority;

(2) In any legal or arbitration proceedings concerning any right or liability transferred to or vested in the Authority by this Order, a certificate under the hand of the Director-General or other officer authorized by the Authority in that behalf, that such right or liability has been so transferred to or vested in the Authority shall be *prima facie* evidence of that transfer or vesting.

10. On and after the transfer and vesting date, all documents records and admissions which would, before such date, have been evidence in respect of any matter for or against the Roads Department shall be admissible evidence for or against the Authority.

11. (1) Every public officer having the power or duty to effect or amend any entry in any register relating to property, or to issue or amend any certificate or other document effecting or evidencing title to property shall, upon request made by or on behalf of the Authority or the owner of such property, do all such things as are by law necessary to complete the transfer of any property effected by this Order.

(2) No fee or other charge shall be payable or chargeable in respect of any act under sub-paragraph (1) above.

3. All the assets and liabilities set out in the Schedule, and which were hitherto vested in the Ministry of Roads under the Roads Department, hereby vested in the Kenya Rural Roads Authority.

---

**[Subsidiary]**

4. Notwithstanding anything contained in any other law for the time being in force, all rural roads and all their related road reserves throughout the country, all on-going contracts and consultancies with respect to the rural roads, that were immediately before the transfer and vesting date vested in Ministry of Roads under the Roads Department shall, with effect from that date be deemed to have transferred and vested in the Authority;

5. All the functions of the Ministry of Roads with respect to the management, development, rehabilitation and maintenance of all rural roads and all their related road reserves throughout the country that were immediately before the transfer and vesting date vested in Ministry of Roads under the Roads Department, shall, with effect from that date be deemed to have transferred and vested in the Authority;

6. Subject to this Order, all rights and liabilities with respect to the past and on-going contracts and consultancies in respect of rural roads and all their related road reserves of the Ministry of Roads attributable to the Roads Department existing immediately before the transfer and vesting date, shall, with effect from that date, be deemed to have transferred to, vested in, imposed on the Authority and any reference to the Roads Department in any contract or document related thereto shall, for all purposes, be deemed to be reference to the Authority.

7. All rights and liabilities of the Ministry of Roads attributable to the Roads Department immediately before the transfer and vesting date with respect to properties, the past and on-going contracts and consultancies related to the rural roads and all their related road reserves, shall, with effect from that date, be deemed to have vested in the Authority and shall be enforced by or against the Authority;

8. (1) Any property or right vested in Authority by virtue of this Order which immediately before the transfer and vesting date, vested in the Roads Department either alone or jointly with any other person—

- (a) as trustee or custodian trustee under any trust deed, settlement, covenant or under any other instrument; or
- (b) as executor or trustee of any person; or
- (c) as judicial trustee commencement date by order of any court; or
- (d) in any other fiduciary capacity shall, with effect from that date, vest in the Authority alone or jointly with such other person, upon the same trust and subject to the same powers, provisions, liability and obligations.

(2) Any existing instrument or order, of any court of law under or by virtue of which any property or right vested in the Roads Department in any capacity specified in subparagraph (1), including in the case of a will, any grant of probate thereof, and any provision herein or any existing contract or arrangement for the payment or retention by the Roads Department or of remuneration of their services in any such capacity shall, with effect from the transfer and vesting date, be construed and have effect, so far-as the context permits, as if for any reference therein to the Roads Department there were substituted a reference to the Authority.

9. Any existing contracts, agreements, conveyances, deeds, leases, licenses, permits exemptions, powers or attorney, undertakings, securities and other instruments, arising from and / or related to existing projects and consultancies', entered into by, made with or granted or addressed to the Roads Department (under the Accounting Officer) whether alone or with any other person and whether as principal or agent shall, with effect from the transfer and vesting date, be binding and be of full force and effect in every respect against or in favour of the Authority as if, instead of the Roads Department, the Authority had been a party thereto, bound thereby or entitled to the benefit therefore and as if any reference, express or implied to any member, officer or employee of Roads Department

as respect anything to be done with effect from the transfer and vesting date, were substituted a reference to the member, officer or employee of the Authority who most nearly corresponds thereto.

**10.** Without prejudice to the provisions of any other paragraph herein, the following provisions shall have effect in relation to the functions and other matters of the Roads Department with respect to the past and on – going contracts and consultancies' vested in the Authority by virtue of this Order—

- (a) a right, liability or obligations of the Authority, all other persons shall, with effect from the transfer and vesting date, have the same rights powers and remedies, and in particular, the same rights and powers as to taking or defending any legal proceedings or an application to any authority, for ascertaining, perfecting or enforcing that right, liability or obligations as if it had at all times been a right, liability or obligation of the Authority;
- (b) the custody of any documents, goods or other property held by the Roads Department as bailee for any other person shall be transferred to the Authority with effect from the transfer and vesting date, and the rights and obligations of the Roads Department under any contract of bailment relating to such documents, goods or other property shall be transferred or deemed to be transferred to the Authority on that day; and
- (c) all existing legal or arbitration proceedings or application to any authority by or against the Roads Department shall not abate, be discontinued or be in any way prejudiced by reason only of the provisions of this Order, but the same may be prosecuted and continued by or against the Authority and any judgment or award obtained by or against the Roads Department and not fully satisfied any account between the Roads Department under the Accounting Officer and any other person shall, with effect from the transfer and vesting date, become an account between the Authority and that person, with the same rights and subject to the same obligations and incidents, including the rights of set-off as theretofore, and the account shall be deemed to be a single continuing account;
- (d) any existing instruction, direction, mandate, power of attorney, authority or consent given to or by the Roads Department under the Accounting Officer shall have effect, with effect from the transfer and vesting date, as if given to or by the Authority;
- (e) any security held by the Roads Department for the payment of debts or liabilities, whether present or future, actual or contingent, of any person, which is transferred to the Authority shall, with effect from the transfer and vesting date, be held by and be available to the Authority as security for the payment of such debts and liabilities to the Authority, and where the moneys secured by the security include future advances or liabilities of such person, the security shall as from that day, be held by and be available to the Authority as security for future advances to the person by and be available to the Authority as security for future advances to the person by and future liabilities of that person to the Authority to the same extent to which the same was held by or available to the Roads Department immediately before the transfer and vesting date as security for future advances or future liabilities;
- (f) the Authority shall, in relation to any security transferred or deemed to have been transferred to it and to the moneys thereby secured, be entitled to the same rights and priorities, and be subject to the same obligations and incidents, as the Roads Department would have been entitled and subject to as if the same had continued to be held by the Roads Department;
